Beloved,

Loving greetings from the Valley of Angels! We have just finished a glorious event we call the **“Harvest Gathering.”** The Holy Spirit moved with enormous freedom and our lives were changed! **Sigi Oblander** preached each evening. Her first message was on the the description of **the beauty of the Bride** of Song of Solomon, the second from the story of Deborah and Yael, and the third from Esther. In each message, she was showing aspects of **“bridal warfare,”** and how it differs from other types of warfare. She gave amazing strategies that we can all employ as we learn them. One of the points she mentioned had to do with the kind of **weighty cry that God hears and answers**—it’s the cry of repentance and desperation to be delivered from the enemy’s control over us that came as a result of our disobedience to God’s purposes and plans. It’s the cry that came from the children of Israel in slavery in Egypt, and throughout the book of Judges.

The theme for the event was, **“Outpouring for the Harvest,”** and during one of the times of worship, we were overtaken by the Holy Spirit and brought into travail. I felt we were contending for and giving the weighty cry to implore our Father to pour out His Spirit on all flesh. I shared the vision that Pastor John Hinkle had in 1994 of the worldwide outpouring (see the enclosed Prophetic Page). Beloved, we must press in for this outpouring! It is described in the theme scripture of the End-Time Handmaidens and Servants, which is such a significant scripture that it is in the Bible twice: Joel 2:28-29, and Acts 2:17-18 **“And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy.”** If we don’t contend for this scripture to come to pass, who will? Please ask the Holy Spirit to give you the privilege of helping to draw this outpouring into the earth. The Lord is seeking for those who will stand in the gap and make up the hedge of intercession.

Stephanie Schureman, the anointed Handmaiden who ministers to our children at the World Convention, also came and taught us, demonstrating the simplicity of **moving in the prophetic** and **how to interpret dreams**. These are tools the Lord wants to use through us in these last days to **PROPHESY** according to our theme scripture. We must be moving into a greater depth than ever before to bring His Word into manifestation in the earth.

In the final meeting, **Sandra Darlington**, the National Coordinator of End-Time Handmaidens and Servants in Nigeria, gave a powerful, passionate message, **“America, What Sound Are You Hearing?”** There must be a certain sound to make people respond. He had shown her a vision when she arrived in Engeltal, with the message: “The spirit of the West is crying, and the things that are shaken will be shaken off.” The Lord showed her another vision and said, “These four are birthed in the river of My revival.” Then He showed her the four questions He is asking: 1) “Will you see My Love?” 2) “Do you know My Love?” 3) “Do you understand My Love?” 4) “Do you know how much you are breaking My heart?” She continued to prophesy, “God is in a hurry to deliver America, because if America stands, the nations of the world will stand. God has a special assignment that must be fulfilled. America, arise, awake from your slumber, awake and sound the trumpet, for the Lord is calling you for victory!” She later explained that God said He would use women to birth the coming revival, and she saw evidence of that in the “Rise Up” Prayer Rally in Washington, DC in October.

After a powerful time of intercession for America, I preached a message called, **“Sons of God, Led by the Spirit.”** I felt a strong anointing and freedom in giving the Word of God to challenge us to walk in the Spirit instead of the flesh. I highly recommend that you get the recordings of these meetings and receive all that was poured out to us from the Lord in this very important event on God’s calendar. The set of CDs of the messages is only \$35 plus shipping, and the set of DVDs that includes both the messages and the other ministry time (praise and worship, prophecies, intercession, testimonies) is \$60. Contact our bookstore at 870-446-2265, or email books@eth-s.org.

Another General Called Home: I began writing this newsletter from the sky over Africa, returning home after the memorial services for End-Time Servant, Joseph Olangi, co-founder of the Olangi Wosho Foundation and it’s

“And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy ...and on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy.” (Acts 2:17, 18)

many ministries, in Kinshasa, Democratic Republic of Congo. I felt it was the Lord's will to go to comfort his widow, Elisabeth, their children, grandchildren, and multitudes of followers. Over 1000 of their people are ETH&S. It was such a blessing to hear the many testimonies of healed marriages, and ministers and missionaries who have been encouraged and mentored by this couple. They are a wonderful example of an End-Time Handmaiden and Servant! They fasted for the anointing of God on their lives at Engeltal in 1993 and returned to the Congo to continue in the vision God had already given them. At that point, their ministry exploded with Holy Ghost power. They have trained thousands to "know the truth and the truth will set you free," moving them through a discipleship program that leads them through deliverance and breaking generational curses. They train them up and send them out as missionaries to start branches in the nations and help disciple others into Kingdom living. They have been sending delegations to our World Convention most years since 1994. They are planning to bring a large delegation in 2018 for our 40th World Convention.

A Burden for Souls: As we drove through the streets of Kinshasa, I looked into the faces of the many people who were walking with heavy loads on their heads, or riding on bikes and motorcycles, or crammed into minivans 20-25 at a time. There were the vendors with furniture for sale in the open air on the side of the road, and the small shops where people probably lived when they finished their sales for the day. My heart began to ache for souls! While in Kinshasa, I was given the great privilege to preach in one of the memorial services. One of the memories of Papa Olangi that I shared about was when Philip and I made our first visit there. Mama and Papa were deeply burdened for the souls of the children and young people, and showed a YouTube video about "**Christians that Wound Up in Hell.**" I brought out how Papa Olangi wanted them all to be sure to make Heaven their home, but they couldn't get there if they had unforgiveness in their hearts or unrepented sins like sexual immorality, lying, and stealing. One of the other speakers had pointed out that many people want to make Heaven their home, but they want to go on living however they want to.

Beloved, the Holy Spirit is looking for intercessors who will stand in the gap and weep for souls! We are on the brink of an unprecedented move of God in the earth—the outpouring that began on the day of Pentecost and continued through the book of Acts. **But it must be prayed through!** Every move of God has come as a sovereign answer to prayer. American literature books contain Jonathan Edwards' famous sermon, "Sinners in the Hands of an Angry God." When he delivered that sermon in his unemotional monotone, sinners in the congregation fell to their knees weeping, and some held on to the pillars of the church crying for mercy, that they could feel themselves slipping into Hell. What was the secret? Was Edwards just such a good sermon writer? No, he had come to that backslidden, hard-hearted town because it was the only place in the region that hadn't yet been impacted by the Great Awakening. And the night before he was to preach, he and some of the saints spent the night in prayer asking the Lord to pour out His Spirit!

I thank God for the prayer movement—for the intercessors who have taken seriously the commission to redeem the land and to "divorce Baal," for those who stand with tape over their mouths while they pray for the Lord to forgive the shedding of the blood of the innocents, and for the 24/7 worship and prayer rooms and houses. But we must mobilize our hearts to communion with our Father to receive His empowerment for the end-time harvest! We must pray for the Lord of the Harvest to send forth labourers, and be willing to be one ourselves!

These days the airplane seats are equipped with individual screens so everyone can watch the entertainment of their choice. Most of the time, I opt just to watch a map of the flight path that gives the details of our location, the time at the cities of departure and destination. Occasionally, the image zooms out for a view of where we are on the map of the world. As I gazed on the satellite map that has no borders (just like the one in my office that I see when I look up from my desk), I find myself groaning in the Spirit, interceding for souls, interceding for the intercessors to arise, interceding for the nations, interceding for the outpouring. I was privileged to meet and fellowship with men and women of God from a number of nations who are willing to open doors for us to come and minister. We need to move by the grace of God into the power that is available to us from the Holy Spirit. Will you join me in prayer?

The Courts of Heaven: We have been deeply touched, encouraged, and motivated by the teachings of Robert Henderson about *Operating in the Courts of Heaven*, unlocking destinies there, and other life-changing instructions, to help us receive favorable verdicts from our Righteous Judge. The Judge is our Father, and He is looking for opportunities to grant mercy to us when we get into agreement with our Elder Brother, Jesus, Who "ever lives to make intercession for us" (Hebrews 7:25). His Blood is crying out for mercy. Our Judge is bound by His own Word to only accept testimony from the mouths of two or three witnesses, so if we don't step up to give corroborating testimony with Jesus, the accuser wins cases by default. As we step up in prayer, interceding for the burdens that the Holy Spirit shares

with us, we can go into the Courts of Heaven and defeat the accuser of our brethren through the Blood of the Lamb and the word of our testimony. If you don't have his books, write us, or contact our bookstore at 870-446-2665, or email books@eth-s.org.

The Mighty Warriors Conference: We had a glorious encounter with God in September with Dr. Flo Ellers. On September 23, Dr. Sam Matthews, who carries the mantle of the mighty intercessor, Rees Howells, challenged us all to begin each day with reciting Revelation 12:10-11 loudly, with authority. **“And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the Kingdom of our God, and the power [authority] of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. And they overcame him by the Blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death”** (Revelation 12:10-11). Philip and I have been trying to be faithful to this challenge daily ever since.

I believe that our practicing of the revelation of operating in the Courts of Heaven, is defeating the accuser of our brethren. As we continue to declare this verse and obey the Holy Spirit to remit sins as Jesus challenged His disciples to do (John 20:23), using the power of His precious Blood, and declaring the testimony of the Word of God, we will see this foe routed! The outpouring of the Holy Spirit will come, sweeping billions of souls into the Kingdom of God! This is our conflict to continue until it is complete, even unto the death! Don't quit!

It's Time to Prune! Paul challenged Timothy to be like a warrior and not get entangled with the affairs of this life (2 Timothy 2:4). Don't you think it's time to cut out some of life's entanglements? If you want to produce prize-winning roses, there are three types of pruning you must do to your rose bush. The first is to cut away all but the very finest blossoms. There may be lots of nice ones, but the bush cannot support all that it produces, nor make each one a prize winner. My uncle worked for a fruit canning company and he had some fruit trees in his yard. He showed me that when the spring blossoms have turned into tiny fruit, they come in clusters, and you have to thin down to one per cluster so that the tree will have enough strength to hold the crop and produce bigger, better fruit. The second type of pruning is to get rid of sick branches or blossoms, and the third is to cut away anything that is dead or completely non-productive. I have felt the Holy Spirit challenging us for personal pruning along these guidelines.

Once when I wanted to understand more about what it means to magnify the Lord, He showed me a magnifying glass and asked me what was significant about it. I replied that it was transparent, and so I would like to share with you what the Holy Spirit showed me when I asked Him what He wants to work on in me in the way of pruning:

“Learn to walk in the Spirit—stay tuned in. While you are waiting for an answer from Me, stay quiet and focused, instead of thinking about some other subject and go off on a mental tangent.”

“What is Your plan for accomplishing this, Holy Spirit?”

“Practice! Practice! Practice! For as many as are led by the Spirit of God, they are the sons of God” (Romans 8:14). “If we live in the Spirit, let us also walk in the Spirit” (Galatians 5:25).

“Anything else?”

“Don't waste time!”

“How?”

“Walk in the Spirit! Wasting time to feed the intellect is fulfilling a lust of the flesh. ‘[This] I say then, Walk in the Spirit, and ye shall not fulfil the lust of the flesh For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would’” (Galatians 5:16-17).

In his book, *The Spiritual Man*, Watchman Nee teaches that just like the soul has three parts (the mind/intellect, the will, and the emotions), so the spirit of man has three parts. These correspond to the three parts of the soul. When we walk in the spirit, the intellect will come into submission to the intuition, the will comes under the authority of the conscience, and the emotions settle down under communion (that is, communing with the Lord in our spirit). So often our problem, especially if we are “cerebral,” is that we think too much. Walking in the Spirit will bring that into balance.

Take the challenge and ask the Holy Spirit what He wants to work on in you! One of the points Sigi brought out in her first message of the Harvest Gathering is that God allowed Israel's soldiers to take captive a virgin that pleased him, have her cut her hair and nails, and give her one month to mourn her parents. So in one month she would be transformed from a slave into a bride. Can we so take the Holy Spirit's correction to heart that we can be transformed into a bride in one

month? Dr. Caroline Leaf, in her book *Switch on Your Brain* (available from our bookstore), shows how you can change your thinking in a matter of 21 days. Let's get out of the old habits and old thinking and be renewed in our minds in this short time for the glory of God! He's going to need all hands on deck when the outpouring comes, so let's prepare by learning to walk more closely to Him in the Spirit.

Israel Ministry: By the time you receive this, we will be in Israel for the Jerusalem Summons. In March we will again have our small "Intercessors Prayer Journey," for the 10-12 hand-picked prayer warriors who have already gone to Israel on a tour. Let us know if you would like an application. We plan to include a Passover Seder at the House of Peace, and the sunrise service at the Garden Tomb on Resurrection Sunday! Attending that service has been a lifetime highlight for me! You can also start saving and planning to attend the next Jerusalem Summons in November of 2018.

40th World Convention: And while we're on the subject of saving, start saving for the World Convention. Let's make the 40th notable in ETH&S history! The number 40 refers to a generation, and it's time to raise up a new generation of lovers of God who will go to the nations and carry the anointing to prophesy in these last days. Pray! Let's encourage everyone we know that has a hunger for God to get there to meet with Him! Speakers include: **Etienne Blom, Dutch Sheets, Barbara Yoder, Sigi Oblander, and Mark Bristow.** We are praying for the Lord to bring back those who haven't attended for a long time and have a real family reunion! Where are the children that grew up with us? Where are the hungry souls who are longing to receive something deeper in their spirits? Please help us pray for the Lord to fill the Northwest Arkansas Convention Center with those who will come and receive the empowerment and impartation they need to fulfill God's call on their lives and be used by Him to fulfill His divine purposes in the earth! We are working on getting better rates for flying into XNA, the NW Arkansas Regional Airport. Please help us pray for favor so that it will be affordable for everyone! It is already possible to make your reservations at the hotel. The rate is \$89.00 (plus tax) per night for up to four in the room, including breakfast. To make reservations, you can call 479-751-8300 or go to our website (eth-s.org) and click on the Holiday Inn Reservations link.

Youth and Young Adults Retreat: Every year from December 28-January 1, we host a special event in Engeltal for youth from age 15 through young adults aged 30. This is a great opportunity for them to grow in God and develop relationships that have the potential of lasting into eternity. Would you please help us pray for sponsors for this event? We are only charging a \$10 registration fee so that no one will be left out in case of economic challenges.

Appeal for Help: You know how sometimes you put off dealing with a problem until it backs you into a corner? We have arrived in the corner in our accounting department! We have replaced computers through recent years mostly as they have broken down, but we still have a few that are running with Windows XP, which hasn't been supported since 2014. Technology continues to develop and we have just tried to manage using older programs. However, our accounting program has continued to develop and just got beyond what will work on our accounting computers. We are stuck and have to get updated ones. We have found refurbished ones that we can get for \$368 each. We also need two additional computers – one for our audio/video department, and one for Quintessa Lawrence's office, as she assists Betty Bazzle with Membership, coordinates our Prayer Letter, and helps with some graphic design of various mailings. So I'm asking you to pray for this need to be met, and if you are moved by the Holy Spirit to give your best gift toward the need, we would be very grateful!

Although I am always reticent to mention a need for finances, I would like to ask you to pray for those who would be willing to send regular, monthly support for missions, our Israel ministry, building projects, and "wherever needed." We are so grateful for each gift that is motivated by the Holy Spirit on loving hearts, because each contribution makes a difference and helps us as we obey God. Your obedience creates a chain reaction of obedience for God's Kingdom purposes. Please pray for those who will joyfully obey Him, and be one as He leads!

Email Lists: We have some options from which you may choose to hear from us via email. You may receive this quarterly newsletter, our twice-a-month prayer letter, general interest emails about twice a week, and emergency prayer requests as needed. Let us know if you would like to receive one or all of the above by emailing prayer@eth-s.org.

Thank you so much for your prayers and gifts. We are so deeply grateful!

Your handmaiden,

Sharon E. Buss

Prophetic Portion

Vision: God Stripped Away Deception — Given to the late Pastor John Hinkle of Christ Church, Los Angeles, in 1994.

On October 18, early in the morning, God gave me the most powerful vision I've ever had. Suddenly, I was in this gigantic football stadium with the game going on. I do not know where it was or who was playing. I only heard the announcer say that over 80,000 people were in the stadium. As I watched, in the next split second of time, the Holy Spirit came as Light and seemed to stand beside everyone in that stadium. The Holy Spirit was not in them, but was beside them. Instantly, everything stopped. The game ceased, for in that moment God had shown everyone individually just where he stood on the pathway of life and eternity in relationship to the glory of God, or to evil and eternal darkness. It was so awesome. It is impossible to describe. The players, the officials, and everybody in the stadium were on their faces weeping and crying out to God, either for His mercy or for the joy of seeing the glory of Heaven revealed, according to whether they believed or did not believe.

Again, let me say, the Holy Spirit was beside each one, and He showed them exactly where they were on the pathway of their present life, moving either toward darkness or Light. It was as if God had caused time to stand still for a few moments and everyone looked into eternity. Everyone knew it was God, and they knew that they knew it! There was no doubt left anywhere. It was as if God stripped away every deception that man had let come into his life, and there he stood before the reality of life as revealed in Jesus Christ our Lord. There was no condemnation from the Lord and there was no judgment, but it was God reaching out to everyone in His love to let them see just where they stood on the true pathway of life, and whether they were going toward evil or God, and there was no doubt in anyone's mind that it was God. I also knew at this moment that it was happening worldwide. No one looked to his right or his left. He was not concerned about anyone else, but only his personal relationship with God through Jesus Christ. He knew in that moment beyond all shadow of doubt that Jesus Christ was King of kings and Lord of lords.

The scene changed and I was looking at the stock exchange, and everyone in it was on their face before God, crying out either for mercy or for more of His righteousness and glory to rule in their life. Everything in the whole world paused for that moment! How long the pause was, I do not know. Just a few moments, I assume, but it was enough. The people on the streets of every city in the world were on their faces and everyone was shown that if they believed in less than Jesus Christ, they had been deceived. All shortcomings were exposed in the light of His love, and mercy and forgiveness awaited those who truly repented and wanted eternal glory in Him.

Tens of thousands of people began to head for the churches, and the churches were filled to overflowing, but there were no services as we know them, because every minister, priest, and rabbi was on his face before the Lord, for he, too, had had his very soul exposed totally to the glory of God and he realized his own shortcomings and wanted more and more of the Lord Himself. Every person in the world knew in that moment that he had a choice to make. God did not force, and again, let me emphasize that there was no condemnation and there was no judgment. There was just the darkness of man exposed to the glory and the love of God for him.

Immediately following this, the Lord gave me Isaiah 40:5 as a confirmation of all that was going on. It says, "*And the glory of the Lord shall be revealed and all flesh shall see it together.*" All flesh was seeing it! Every believer's heart was so lifted up because he had seen the glory of God that went beyond anything that he could even imagine or conceive, and he knew that it was the power of the Holy Spirit that was revealing it to him and calling him into a new righteous relationship with God. He knew that this was in spite of his mistakes and that the blood of the cross had set him free and would set him free to continue on.

It is my personal belief that this is going to happen soon for the whole world. God did not mention a date, but scripture speaks of it and I believe it will be happening soon, for I see clearly now that only the Spirit of the Living God can change the world. Jesus Christ is still King of kings and Lord of lords, and no matter how dark it looks in the world, the power of God can change it, and will change it in one great burst of His glory if He so chooses to do it that way. Praise God that we are all in the palm of His hand and the reality of Jesus Christ as our new life in Him is being revealed momentarily to every believer!

In the moment that this great power of the Spirit came upon every person in the whole world, it was like each individual had an experience with the Lord like Paul had in Acts 8, as he was on the way to Damascus and felt that all-powerful, glorious change. I believe that deep in everyone's heart there is a hunger and thirst for the reality of Jesus Christ as our new life and that the Holy Spirit will soon reveal this to each one of us. Praise God! Praise God!

Yield to Me in the Midst of the Storm — from the Journal of Sharon Buss, September 21, 2017

I can keep you in perfect peace if you will flow with Me in the center of the storm. Instead of “hunkering down” to ride out a hurricane, come with Me into the eye of the storm. I will be your refuge, though all around you is being challenged by the wind. Destruction of all that is not anchored in Me will take place, but fear not — flow with Me.

When you dwell in the secret place of My Presence, My “shadow” of Shekinah Glory will preserve you in perfect peace. Keep your mind stayed on Me. Worship and praise Me; obey My voice and do all that I speak, and I will be an Enemy to your enemies [Exodus 23:27].

Your dance before Me will open the heavens to My Presence and create an “eyewall” of destruction to uproot all that I did not plant in your life and in your nations [Matthew 15:13].

Do not be afraid! There is no ungodly fear in My Presence. But understand that My throne moves on My cloud of Glory on the wheels that Ezekiel saw, empowered by worship [Ezekiel 1, Psalm 68:4, Revelation 4].

Get in agreement with the Seraphim who cry, “Holy, holy, holy is Yehovah of hosts: His glory is the fullness of the whole earth.” Doing so in godly fear and trembling will bring the shaking that I have promised: the shaking of all that can be shaken, to establish that which is unshakable, all the way to the foundations of the threshold of My House [Isaiah 6:3–4, Hebrews 12:27]. The smoke of My Presence will appear as it did on Mount Sinai when I came down to make covenant with Moses and the descendants of Abraham, Isaac, and Jacob, and conviction and repentance will fall upon the observers of My Glory. The Seraphim will bring coals from the altar to touch and cleanse the unclean lips that have been speaking words that are contrary to My Word.

I am coming to establish My Kingdom in the earth, and I am calling those who tremble at My Word and in My Presence to enter My secret place of My Presence and worship and reverence Me as never before.

I am inviting you to participate in My purposes in the earth as you worship and intercede. You will be standing on the earth establishing My righteous throne, connecting My heavenly Glory to the earth to restore it to My original intent.

Do not fear the storms and shakings as I reform the earth and its inhabitants. Worship in My Glory and be kept in My perfect peace with your mind stayed on Me.

The Pivotal Point — from the Journal of Sharon Buss, October 2, 2017

Perfect peace is the pivotal point. It is like turning a small key in a small lock to a large door.

In that place of stillness and trust where you have anchored your mind on Me, the flow of the current of your circumstances will turn the direction of your “boat” and keep you from being carried away from Me with its flow.

I am your anchor. Your mind has been educated by the world, and you have gathered and retained many facts which you hold to be true. These include scientific “facts” that have been theorized based on observation of patterns of cause and effect. Many intellectual “conclusions” seem to “end” a subject with a theory that explains why a certain set of circumstances will have a certain result. But they have forgotten Me.

I am the one who holds all things together by the Word of My power.

I challenged Moses to use the rod of authority which I empowered by My Word to do exploits that were outside the expected end of the circumstances. Intellectuals and scientists have theorized explanations to “naturalize” the history of the miraculous, thus reducing it from My supernatural intervention to a mere circumstantial coincidence.

Keeping your mind stayed on Me and your trust anchored in Me enables you to be assured that I Am, and that I Am your source. You are because I am. My supply is available to you as you tap into Me by attaching your trust to Me. Your trust is like an umbilical cord between us from which you draw your life.

I Am the source of every descendent of Adam and every living thing in creation. I give life to them whether they acknowledge Me or not! But I sent My Son to break the power of sin and death over the earth and its inhabitants, so they could regain the super abundant life that Adam lost in his rebellion to My Word.

Keep your mind stayed on Me so that you can access the fullness of My provision in your spirit, soul, body, and circumstances. Cast down vain imaginations and theories, and bring into captivity all of your thoughts and thinking

processes to overcome the rebellion of the world. Obedience to Christ, that is, My Messiah, includes agreeing with all that He did for you and obtaining — securing in your life — all that He exemplified and paid for you, to give you abundant life.

Turn your mind to Me with trust and assurance, and I will turn your circumstances to My abundant life. Your trust will turn the key and open the door. Your trust will give you perfect peace.

Breakthrough for Korea — *In our last newsletter, we had a portion of what happened at the World Convention on July 5, 2017, regarding Korea, but missed giving you this very important prophecy through Sigi Oblander. **Hold on to it!***

“And surely, saith the Lord, the cup is full. The cup of iniquity and wickedness is full. And even so as the wall of Berlin has fallen, and even so as I took two countries and made them one, you are going to see, My people, that the impossible will be possible. Even now I am setting things in order, and I’m making the right move, saith the Lord. And it will be an unexpected move just like a chess player. I am going to triumph, saith the Lord, and the evil will not triumph, but you are going to see that the impossible is going to happen, and that I’m going to take out the wicked one, that I’m going to tumble him over, and that you are going to see a unification of My purpose and destiny, that I’m going to pour out My Spirit upon one Korea, and that one Korea shall rise up in might and in power, because this is the time. This is the hour, says the Lord. So press in, My people, press in, My people, and believe for the impossible, for I have set this scene in this day and in this hour!”

Bob Baldwin Prophecy during Mighty Warriors Conference, September 22, 2017

The Lord would say, I am coming to be glorified in My people. That which has been, that which is now, is not that which will be. For surely I am about to show up as has not been seen on Earth. Yea, I have called you to grace and glory. When I speak of glory, saith the Lord, I’m speaking of My divine life—resurrection power— being released through your life that will express Me and My purpose on earth to bring forth life by My Spirit, to regenerate life, to bring My Kingdom. I have appointed you as kings and priests, saith God. You are not paupers or beggars or orphans! You’ve been called to Me, to My table, to receive My counsel, to be empowered by My Spirit. The Lord would say, yes, this is a time of refreshing. This is a time of renewal. This is a time of commitment. But I say this is a time of expectation, for there is expectation about to break loose for those who will expect Me. For I will be where your faith will go. Allow Me to move. Allow Me to give you that vehicle that you move in. Yea, and I say My glory will be manifest by My divine light and by My divine Presence, My divine power. I’m not looking for a glory that is what you try to work up within your flesh, says the Lord. The glory that I’m looking for is My glory reflected in you which is divine life and power. It is divine resurrection power. That is what I’m looking for you to manifest. And I say that the light that will come from you is a divine light, like transfiguration. So I’m calling you to a Mount of Transfiguration. I’m calling you up to be translated and transfigured, that you might manifest My glory.

Yes, the world has seen but a foretaste of the love that I want to endue My people with—just a foretaste of the power that I want to express through My body. The signs in the heavens are pointing to the call of the sons, the manifest sons that will rule — that will rule with a rod of iron; that will shatter the gates of darkness; those who will carry My Word and My purpose; those who will manifest Me [not only] by signs and wonders, but by expressions of My personality that the world has not yet seen.

So I call you to the mountain. I call you to transfiguration. I call you to the higher purpose. I call you to a glory expression that must come from My glory. Don’t try to glorify Me by works of flesh. Try to glorify Me by drawing from My glory, saith God. For I am desiring you—I want you! I want you, saith God.

Prophecies Given during the Harvest Gathering, October 26, 2017

David Oblander:

The Lord says, don’t be afraid of the changes that are coming. Know that I am doing a work in you. And I am breaking down some of the old ways and bringing in new ways. Many times people have been anxious and worried about things

that they cannot control. But My people, let go of the things. Let Me bring to life those things that are life. For this day many ministries shall dry up. There shall be no water in the desert for them. Many ministries are going to dry up in these days because they don't have life and water flowing through them. Don't be afraid of the changes, because I'm bringing changes that life will come forth. And as you will release yourself—as you will allow that seed to fall into the ground and die, there's going to come a reproduction of life, so I say, great changes are coming in these months ahead, and know that I'm going to be doing things. Even to change the priorities and change direction, to change the thinking. So don't get settled in, saith the Lord, but let Me change you. Let Me give you a new mindset. Yes, continue to grow in My grace; continue to be open to My wisdom, and be open to My Word, because I'm going to speak, even in new ways in these days and it's not going to be the same, because there are great changes coming upon the earth, and My people have to be prepared and many people are still lingering in the lines of the past, into the forms of the past, even religious forms of the past. Religion will not bring you freedom, and religion will not bring you into My Presence. So I say, let go of those things on the outside, and just follow your heart — follow My Spirit. Don't try to imitate — don't try to be somebody. Just let Me lead you and guide you, because I'm bringing good changes — great changes. And I'm raising up intercessors in the earth that will pray, that will go, that will be focused, who will not be involved with things that clutter their nests. But I am bringing forth My beauty in My people, so I say, be not afraid of the changes. Don't let the circumstances rob you of what I have for you, because new things are on the horizon — many changes coming to pass. So be of good courage, My people, and allow Me to lead you and guide you, for this is a new day, a new season, saith the Lord.

Sigi Oblander:

And don't you know, My people, that you are a remnant? A remnant of survivors who have survived and you are a remnant that I have picked out for this time and this season. And even as the Children of Israel came back out of captivity into the Promised Land, yea, as you are a remnant of a vision and the remnant of a harvest field and the remnant of a move, and the remnant of a generation, it's that remnant who is going to lay the foundation. It's that remnant who are going to build an altar. Was not the latter Temple greater than even the former Temple, says the Lord? Even so it was stripped of gold, and even so it was stripped of the ornaments, that which Solomon had created. But was it not a Temple greater and mightier I have created. So know this day as you are a remnant, as I have pulled you to even build this new vision out of that foundation, to recreate even a new move, and even to build a new dimension of My Glory, so be thou not afraid to move out to come in, says the Lord. Because you are a remnant for this time and season to fulfil a vision I have given from the very beginning, says the Lord.

Bob Baldwin:

For yea, saith the Lord, did I not declare that I should restore the tabernacle of David? Yea, these are the days of restoration. Many people are looking ahead for that which would devour, but I say, look to that which will enlarge your tent. Look to that which should supply your need. Look to that which shall bring you abundance. Look to that which My Word has declared is truth. For I am the way. I am the Truth, and I am the Life. Yea, I am leading to that stream — streams of water, streams of My Word, streams of My Spirit. For there is life. Have I not declared that life shall be abundant? Have I not declared that I would go before you and make the way straight?

Yes, My people shall be led by love. My people shall be led by love. My people shall be led by My Spirit. My people shall walk in holiness — the holiness of divine love, justice, and judgment. My people shall live and walk in divine life and light. Oh, receive of life. Receive of divine life. Receive of divine love. Receive of My divine inheritance. For you are My inheritance. I have placed you. I have called you. My mantle is upon you. Do not ever be intimidated by who you are, for I have brought you forth and My robe is upon you, and you shall be blessed when you go out, when you come in. Whatever you set your hand to do will be blessed. And yea, don't be one that is sitting there waiting for another word. For as I instructed My servant, David, do that which is in your heart. Do that which is in your heart, for My heart is in you, and you shall be enlarged as you do that which I have placed within your heart. For out of your heart is the abundance of the flow of My love. So walk in love. Walk in mercy, for if you will release mercy you will receive mercy. There is abundance that will flow forth from mercy. The abundance of My love flows with mercy.
