**Spending Money:** We have a bookstore like none other. Don't forget to bring some money to buy the latest books for teens or hottest CD's.

## Please leave your iPods/MP3 players at home and turn off cell phones upon arrival.

We believe the retreat is a time to put aside your normal activities (including personal use of iPod players) and give the Lord the opportunity to speak to you, and for you to hear from Him. We ask you to keep cell phones off during the Retreat for the same reason. Please give your parents the number 870-446-2252 to be able to reach you in case of an emergency. We encourage you to use your cell phone to call your family upon arrival to let them know you are here safely, then turn it off. **If you have a special need to use a cell phone, please see one of the directors.**

## WHAT TO BRING:

**Everyone must bring a sleeping bag (or sheets and blankets), pillow and towels.** Bed space is very limited and many will be sleeping on the floor (an air mattress might be handy to bring). *Sheets, pillows and blankets will not be provided for beds.*

**Bring a black t-shirt and a white t-shirt with sleeves.**

**Bring your Bible** (with your name in it!), notebook and pen, and a flashlight. **Make sure your name and address is written in your personal belongings.**

Please check the weather in the Jasper, Arkansas area **before** you depart (<http://www.weather.com/> works well. Put in zip code 72641). That way you can add/subtract from your clothing as needed. It might be raining, so bring whatever else you need to keep dry.
